Welcome Screen

Hey, Boomers!

Hubba, bubba! Do you realise how much toil and oil I've had to sweat to complete this, the first of STC's two mega Christmas issues? Believe me, when you're sick of the sight of turkey and TV, you'll be glad you had an STC mega-issue at hand.

It seems festive fever has even affected Sonic in the first part of **Ice Cap Attack**. Returning with a vengeance is **Streets of Rage**, while Marko's **Magic Football** kicks off a great new series. Hold onto your hair as Knuckles is taken for the ride of his life in part three of **Carnival Night Conspiracy**. Amy gets to grips with the action and a new outfit in her own story, **In Good Hands**. Plus yours truly gets a special appearance - by popular demand, of course (I have the letter right here!).

If that's not enough, there's the first batch of **Sonic's Badnik Spotter Cards** free with this issue. You can never be too careful when there are Badniks about! Look out for six more cards free in STC 42's mega-issue. There's plenty more strips, fun and surprises in store, all for £1.50.

The scene is set in the year 2001 where media mogul, H.R. Malone, recruits a manufacturer of military weapons to create enough armour to fill the houses in Coronation Street! Malone intends to direct this power at the USA and it's down to you to stop him! The player must decide which vehicle best suits a certain mission. Unlike the previous games, you have a choice of three armoured vehicles to help you in your mission - The Mohican Attack Chopper (a highly advanced helicopter), a 20-seater Blackhawk Chopper (heavily armoured but lacking

Urban Strike is comprised of 10 challenging levels, packed with excellent graphics and actual landmarks like the World Trade Centre in New York and Alcatraz prison. Included in the 10 campaigns are 60 sub-missions which vary from rescuing the drowning victims of a sunken cruise liner to diffusing bombs planted on the Golden

The biggest difference between previous *Strike* games and this one is the ability to fight on foot. Three campaigns are fought on foot which adds a whole new dimension to the game and calls for the player to learn new skills and strategy. Other new features include tougher opponents with higher Artificial Intelligence, the ability to carry and drop items by winch and Smart Bombs which cause

Urban Strike is bigger, tougher and more controllable than any of the previous *Strike* titles. It's a shoot 'em-up that not only requires a good eye for aiming, but also a touch of brain power, which is an obvious plus! A contender for best shoot 'em-up of 1994!

DOOM BEATER?

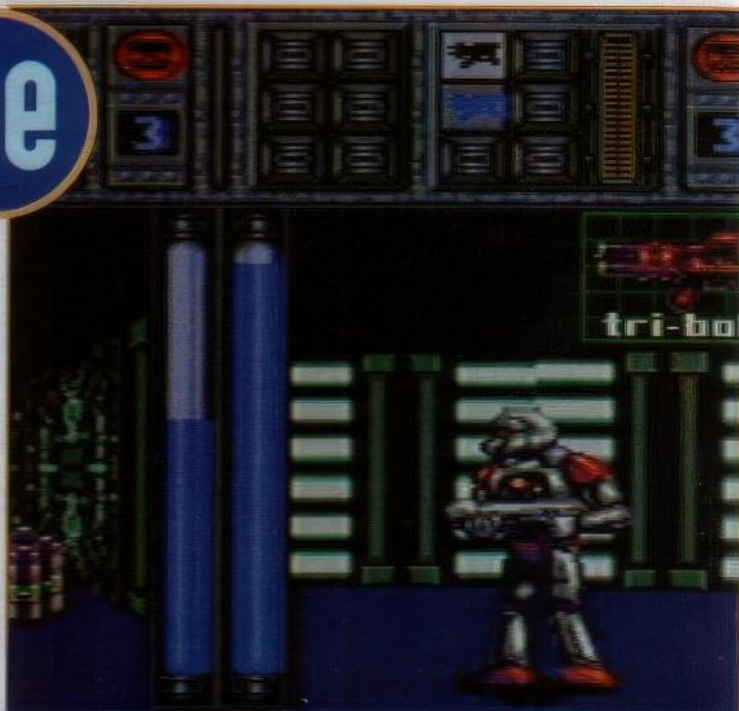

BLOODSHOT TAKES AIM

Let's face it ... **Doom**, the current fave rave shoot 'em-up (coming soon to the Mega Drive 32X), is just a transfer of a classic game. Domark, meanwhile, have come up with **Bloodshot**, a new, fast, smooth 3-D shoot 'em-up that has had the computer games world buzzing in anticipation for months.

Set for a January 1995 release on the Mega Drive, priced at £39.99, it will be followed a month later by an even flashier Mega-CD version. In **Bloodshot** you get to control an Elite Trooper from the year 2049. Your mission is to save the Earth from being destroyed by a fleet of alien battleships packed with lethal droids and mutant monsters. Your task is to enter a battleship and seek out the plasma nodes that power it. The order is to destroy these and get out quick.

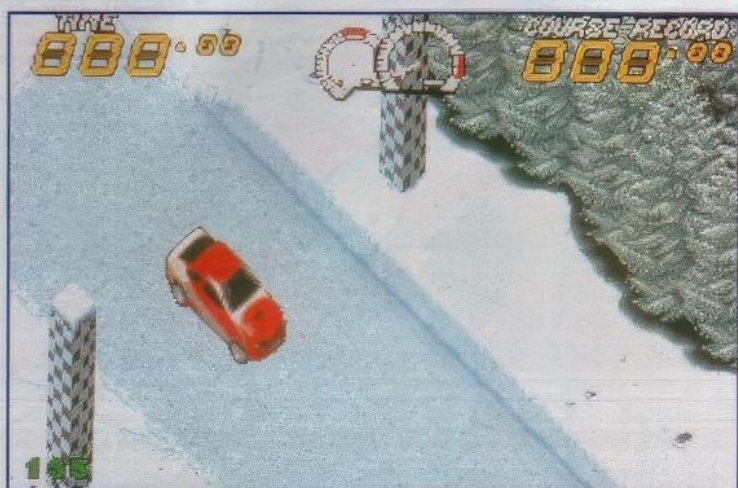

One of the best features about this game is the two-player mode that allows you to carry out your mission with a friend on an ace split-screen format. This can be tricky since your men have had their brains implanted with Battle Frenzy Chips [BFC's] which can lead to trooper attacking trooper in the heat of battle. Just the ticket for those of you who want to get one over on your best friend!

RALLY ON!

THRILLS AND SPILLS WITH POWERDRIVE

Hill and Schumacher may be kings of Formula 1 motor racing just now, but put them in a rally car and they could lose their crowns! Rally driving is the roughest, toughest motor sport around and, thanks to US Gold and their new game **Powerdrive**, you'll soon have the chance to experience the high-speed

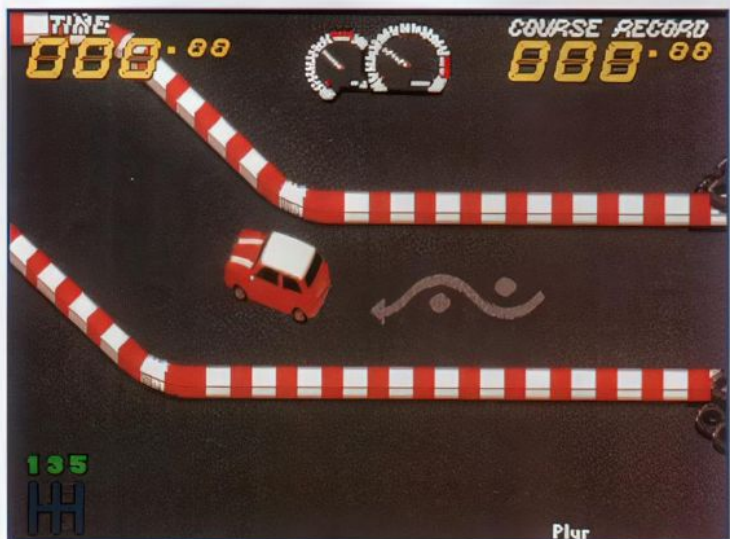

shakes, rattles and rolls of competition driving.

Powerdrive offers you the chance to try your luck on 50 different courses in eight locations around the world. Each race comprises of a time trial over a few days with separate skill tests.

However, the real thrill is choosing from six different rally cars and racing them day or night through treacherous forest and desert terrain. Sand, ice, gravel and tarmac

in the rain, sun or snow stand in the way of a good time. So it's visor down and seat belt tight before you roar away to beat the

clock and the mud. Big things are expected from this one. Available on the Mega Drive, priced £39.99.

SHORT BURSTS

News

FOOTBALL CRAZY

"Ooh Aah, Marko-Ahh!" Eat your heart out Eric Cantona as young Marko (star of STC's newest comic series!) is back with a Mega-CD version of the game **Marko's Magic Football**. It's available in

January '95, priced £39.99, and a Game Gear version will follow in February, price £29.99. The game still gives 110% in these formats, as the footballing boy wonder is called upon to save Sterlington yet again from the evil Colonel Brown. So play on, play on, with hope in your heart ...

WAR GAMES

Virgin's **Cannon Fodder 2** gives you the chance to experience war in all its forms. Out in the new year with a price to be announced, this game follows on from the massively

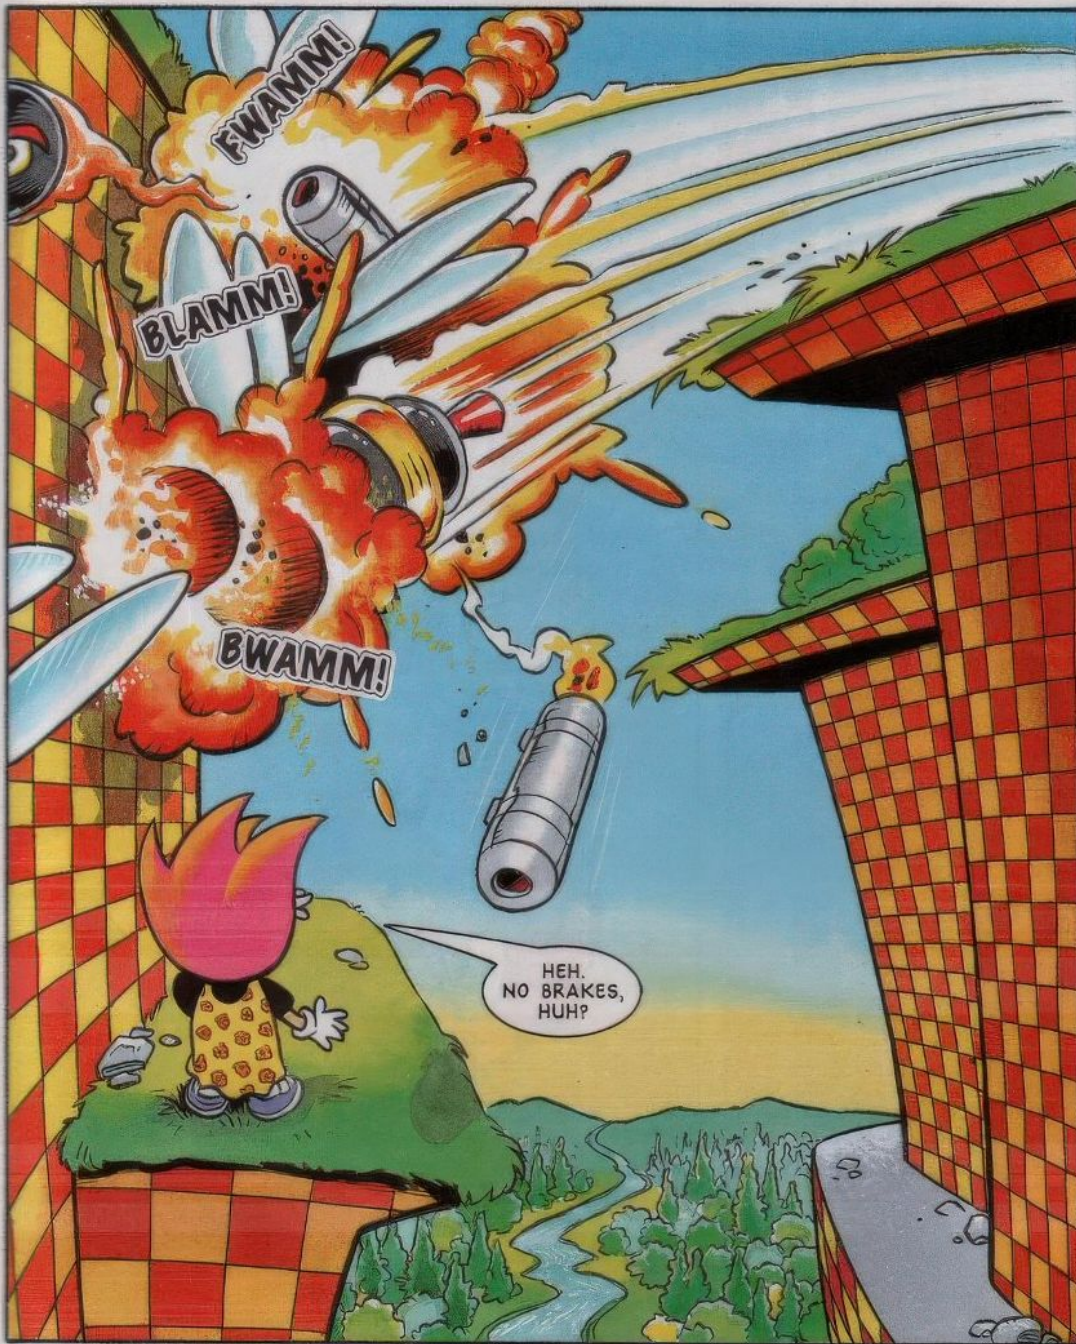

successful *Cannon Fodder* in which you had to lead your men into battle against some bad-tempered enemies. There are now 72 new dangerous combat missions available from liberating hostages in Beirut to the medieval mayhem of rescuing a damsel from an evil witch. It's all here; high powered assault weapons, arrows and a mad witch on a broomstick.

CARTOON OVERLOAD

Warner Brothers **Animaniacs** are bursting onto console screens. Thanks to Konami's new platform/puzzle game featuring Wakko, Yakko and Dot, these dog-like kids will be causing

major mischief. Later Sega game releases will be **Daffy Duck** and **Speedy Gonzales** - so watch out for the beaked one and see if you can spot the fastest mouse in all of 'Mechico'. Stay tooned for more info.

JUNGLE BOOK SPECIAL

Part 1

CHAPTER 1- JUNGLE BY DAY

OBJECTIVE: FIND 10 GEMS, THEN BAGHEERA

GEM 1:

From the start, go right until you reach the see-saw. Jump on, and once you're in the air, move left. Mowgli should land on a high cliff, featuring a monkey and a Gem!

GEM 2:

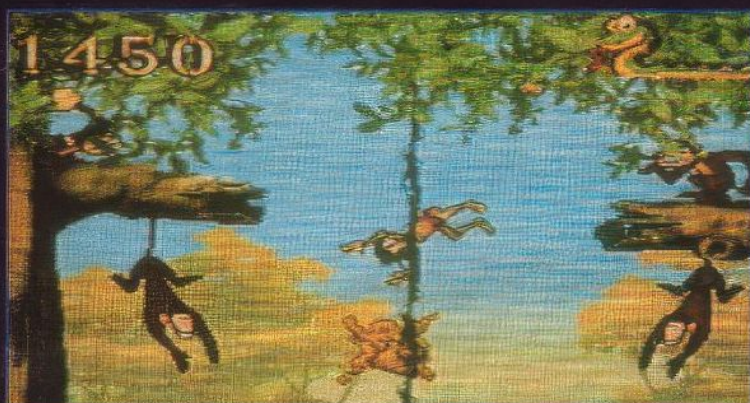

Continue left until you reach a long straight vine. Climb down this and fall left onto a branch to collect the Gem.

GEM 3 & 4:

Go down to the centre of the level and jump across some trees until you land on a platform with the third Gem. You will find the fourth Gem located in the tree branch, just left of the platform.

GEM 5:

Go right, jump straight up using the see-saw and continue right until you come to a large cliff featuring the fifth Gem.

GEM 6:

Continue right, jumping onto a tree branch and you'll see the sixth Gem.

GEM 7:

Fall downwards, to your right, onto another branch to locate the seventh Gem.

GEMS 8, 9 & 10:

Climb to the top of the tree to find a hidden Gem in the branch, then jump and land on the cliff to the right. Continue right to see the ninth Gem, then up the vine to the tenth Gem.

BAGHEERA:

Once the previous Gem has been collected, go back up the vine to the very top of the level and head right. Continue right using the swinging vine until you reach the end. Next, go down to the bottom of the level to meet Bagheera.

EXTRA LIFE:

An extra life is available at the top of the level, hidden behind a tree directly above the starting point.

COMPASS:

Available at the start, above Mowgli's head.

CHAPTER 2- THE GREAT TREE

OBJECTIVE: FIND 10 GEMS, THEN DESTROY KAA

A fairly simple level, so pick up the Compass and follow

its directions to successfully collect all 10 Gems. Remember to use the tree lifts and to search inside each tree for hidden collectables.

KAA:

Located at the very top right of the level. As soon as Kaa comes onto the screen, jump up and fire several times at his head (his hypnotic rays are quite tricky to dodge, but it is possible). When you see a ray coming, get away from it using a circle formation by means of jumping and using the D-pad - it will eventually disappear. Continue firing at his head using these techniques, and Kaa will be no more!

COMPASS:

From the start, walk right (through the tree) and you'll find the compass hidden in the bush above Mowgli's head.

CHAPTER 3- THE DAWN PATROL

OBJECTIVE: FIND 10 GEMS, THEN BAGHEERA

The level with the infamous Elephants! Collect the Compass and follow the directions to make life oh-so-easy!

BAGHEERA:

Located at the bottom-right of the level.

COMPASS:

At the start, this is situated at the top of the vine.

EXTRA LIFE:

Go right to the very end of the level. The extra life can be found hidden in a bush, next to Bagheera.

CHAPTER 4- BY THE RIVER

OBJECTIVE: FIND 10 GEMS, THEN BALOO THE BEAR

GEM 1:

You'll find this at the very top, directly above Mowgli's head.

GEM 2:

Back on the ground, go right and onto the next platform. Below this will be a smaller platform next to the water. Get onto this and collect the Gem hidden behind the tree.

GEM 3:

Hop across the stones in the water and onto the next platform to collect the Gem.

GEM 4:

Climb the vine, then grab hold of the linked vines and jump up to catch this Gem.

GEM 5:

Continue right until you come to the edge of a cliff. Drop off and you'll land on the back of a Turtle. Jump off onto the next platform and climb the vines for the next Gem.

GEM 6:

Walk left to pick up this Gem.

GEM 7:

Head right to the next tree and collect this Gem.

GEM 8:

Climb down to the ground.

GEM 9:

Climb to the top of the tree and head right. This Gem is situated on the right-side branch of the next tree.

GEM 10:

Fall to the ground and you'll see this Gem beside an Elephant.

COMPASS:

Climb the vine at the very start. This is hidden in the highest bush.

EXTRA LIFE:

A difficult one to pick up. Go right to the very last tree. When the Parrot flies to the right, jump on and bounce off to the right to collect this extra life.

NORTH STERLINGTON. IT'S NOT SUCH A BAD PLACE TO LIVE, REALLY.

BIT OF A STRANGE TOWN, THOUGH.

THERE'S SOMETHING ABOUT IT THAT MAKES IT NOT QUITE NORMAL. AS THOUGH THE TOWN'S GOT A BIG SECRET THAT NO-ONE REALLY KNOWS ABOUT.

OH, MY NAME'S MARKO BY THE WAY. I'VE GOT A SECRET TOO!

MARKO! WHERE D'YOU THINK YOU'RE OFF TO?

THAT'S MY MUM. SHE'S NORMAL ENOUGH.

JUST GOING FOR A KICKABOUT, MA!

ALRIGHT, BUT DON'T BE LONG! WE'VE GOT BLACK PUDDING AND LARD BARM CAKES FOR TEA!

ANYWAY, AS I WAS SAYING, ABOUT THIS SECRET! IT'S MY FOOTBALL YOU SEE...

I WAS AFRAID SHE'D SAY THAT!

...IT'S MAGIC!

IT LOOKS NORMAL ENOUGH,
BUT NO MATTER WHERE, OR
HOW FAR I KICK IT...

IT ALWAYS RE-APPEARS
AT MY FOOT!

MAGIC!

PING!

THE FIRST TIME IT HAPPENED
I WAS HAVING A KICKABOUT
NEAR THE SPOOKY OLD TOY
TOWER WHERE COLONEL
BROWN LIVES...

SKILL!

MUM TOLD ME NOT TO PLAY THERE AS THE
COLONEL WAS UP TO NO GOOD! ALL I KNEW
WAS THAT HE SUPPLIED THE TOYS FOR THE SHOPS.

OOPS!

SPLASH!

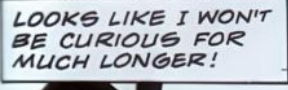

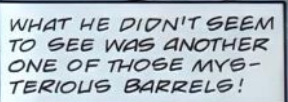

OH, HECK!
MY FOOTBALL'S GONE
IN THAT BARREL OF
GREEN SLIME! IT'LL
BE RUINED!

YOW!
IT'S BACK!
HOW DID THAT
HAPPEN?

Dear Megadroid,

I mentioned to my mum that I wanted to collect STC for as long as I live. However, I was speechless when she replied: "I doubt it will last till the end of next year!" Please tell me there's no truth in this.
